

RAF AIR CADET

# BUDDY SCHEME

## Bring your buddy to Air Cadets!

If you have a friend, family member, neighbour or colleague who could make an amazing adult volunteer...  
*Ask them along.*

If your squadron or section needs more volunteers reaching out to your family and friends could be the answer.

Check with your OC first and then go for it, see if you can boost numbers and ultimately help the cadets.

### WHAT ARE YOU WAITING FOR?

Let's all work together to make the RAF Air Cadets stronger "reaching for the stars"
