18:30 – 19:30**

with
Jill Farrelly
Head of Adoption SSAFA

ABOUT SSAFA ADOPTION:

SSAFA, the Armed Forces charity have been supporting the Armed Forces community with adoption for decades, and in 2000 became a Voluntary Adoption Agency, regulated by Ofsted. We are a friendly and professional Agency, covering the whole of the UK. As a result, we are able to support you through any potential postings, ensuring that you don't have to start the process again if you move. We are military specialists, who understand your needs and unique challenges. Our passionate team are with you for the life of your adoption journey, with our dedicated post-adoption support service. **We promote equality and welcome applications from all members of the serving community.** At the end of 2019, SSAFA Adoption was awarded Outstanding by Ofsted, a representation of the level of service we provide and our dedication to creating secure, loving military families for adopted children.

ABOUT THE VIRTUAL EVENT:

To celebrate National Adoption Week on 12th – 18th October 2020, SSAFA Adoption is holding a virtual information event.

If you are thinking about adoption, now or in the future, this online event will provide you with further details to support this life changing decision. Jill Farrelly, our Head of Adoption, will talk you through the process of adoption, adopting through SSAFA and the unique support that we provide, including our post-adoption support service. You will also get the opportunity to hear from one of our previous adopters, in their own words about their experience of adoption. Finally, there will be an opportunity to answer any of your questions, with a Q&A towards the end of the event. Further details of how to get in touch with SSAFA Adoption will be provided.

TO ATTEND, PLEASE REGISTER BY EMAILING:
