

RAF DEPENDANTS (INCOME) TRUST

DINCOME

Dincome is a very popular, unique, and inexpensive assurance scheme specifically designed by the Royal Air Force. Subscribers to the RAF Dependants Fund are eligible to apply to the scheme to make greater financial provision for their dependants in the event of death, for any reason, on or off duty. The benefits provide an additional tax-free capital sum followed by a monthly tax-free income. On the death of a member, the Trustees will take immediate action to initiate payment of a capital sum and income benefit to the appropriate beneficiary.

Applications for membership or changes in benefits are to be made on RAF Form 7329 (available from unit HR Offices). Further information about Dincome can be found in AP7005 Leaflet 209 or by contacting the RAF Subscriptions Manager, RAF Benevolent Fund on 95461 6608 or by email to raf.subscriptions@rafbf.org.uk.
